Information Technology 3rd year in Shri Vishnu
                Engineering College For Women, and also interning in HDLC
Tech.As a BTech 3rd year student, I am a
                dedicated and ambitious individual pursuing excellence in my
academic journey. With a passion for
                technology, I have honed my skills in subjects like computer
science and engineering. Through my
                coursework and projects, I have gained hands-on experience in
programming languages, algorithms, and
                software development. I am an enthusiastic team player,
actively engaging in collaborative projects and
                extracurricular activities. I strive to continually learn and
adapt to new technologies, aiming to make
                a positive impact in the field of technology upon
graduation.</p>
